ESVO MEETING 2013 – BUCHAREST, ROMANIA

From October 17th to 20th 2013, Bucharest will be the meeting point for veterinary ophthalmologists wishing to learn the latest professional information. An interesting scientific program is combined with an exciting social program (Bucharest Sightseeing Tours, Castles Tour etc) to ensure that this meeting will be a stimulating experience but professionally and socially.

DEADLINES REMINDER

Although there is still enough time to register for the meeting please, do not forget that the early registration deadline is **August 15**.

Partners, sponsors and exhibitors can download the sponsorship prospectus at <http://www.esvomeeting2013.org/sponsorship-exhibition/>. If further information is needed please contact Alina Bugean – Conference Manager (alina.bugean@trima.ro)

Editorial

Dear Colleagues,

On behalf of the Organizing Committee, we invite you to the next ESVO Meeting which will be held in Bucharest, Romania, Hotel Novotel City Centre in October 17 – 20, 2013.

The themes for the Symposium and the educational workshops on **Endolaser** and **Amniotic Membrane** will be presented by select international and national experts. Among the international experts we can mention **Dr Kerry Ketring (U.S.A)**, **Dr. Narfstrom Kristina (Sweden)**, **Eduardo Huguet (Spain)**, **Fernando Sanz (Spain)**, **Jorge Vergara (Spain)** etc.

This Meeting intends to bring together veterinary ophthalmologists, medical scientists, doctors and students to exchange views and strengthen collaboration. During previous meetings international networks and research collaboration were established therefore I encourage young scientists to use this meeting as a place to assemble their research interest-groups. I hope that you will find the **ESVO Meeting** scientific program valuable.

We are looking forward to seeing you in Romania where you will be welcomed by an interesting social program, traditional Romanian hospitality and its delicious cuisine.
