OPHTHALMOLOGY

ESVO WEBINAR SERIES

THE UNSTABLE LENS - SURGICAL APPROACHES AND MEDICAL MANAGEMENT

DR. DJ HAEUSSLER

FEBRUARY 1ST 2024, 9 p.m. CET

Dr. DJ Haeussler is a board certified diplomate of the American College of Veterinary Ophthalmologists (ACVO) and has served as the chair of the ACVO Public Relations committee and the president of the Cincinnati Veterinary Medical Association Board of Trustees.

DJ's publications have been referenced in the gold standard textbook, Veterinary Ophthalmology. He has also published a photographic atlas entitled Recognition of Canine Ocular Disease, Volume 1. Dr. Haeussler owns The Animal Eye Institute with four locations. He enjoys mentoring his interns, residents, and mentors. He has also served as a part time consultant at Garden State Veterinary Specialists in New Jersey.

His interests are providing exceptional ophthalmic care to prolong vision and comfort in all animals. He is very interested in cataract surgery with intraocular lens implantation as well as various surgical methods of corneal repair.
